MARCH 2015 TRESLE BOARD

Dear Brethren

I just want to say how happy and proud I am to be part of such a wonderful group of people I can call my brothers. We had a nice gathering at the last social night, with plenty of food and drinks and had great conversations, which lasted into the late hours. Thank you to those who came and hopefully we see the rest of you next month.

For all the entered apprentices and fellow crafts looking to get the next degree, please call Mike Rogers or myself to go over the proficiencies. We always have time for you and encourage everyone to pursue it. You won't know what it's like till you go through it all way the way.

I am looking forward to the spring season, and don't forget to adjust your clocks for daylight savings time on March 8, which is the same day as the Masonic breakfast at the LAX Hilton. This is the largest gathering of masons in California.

Fraternally yours,

Joubin Manoochehri
Senior Warden
